

LEASE COMPLIANCE REVIEW Services in Mexico

Ensure your lease is legally sound, your property is in great condition, and you're prepared for future negotiations with our comprehensive review service.

PRODENSA'S 3-STEP ROADMAP TO COMPLIANCE

Step 1: Legal Review

- Review lease terms, obligations, and risks
- Ensure compliance with local regulations
- Highlight options for renewal, termination, or ubleasing

Step 2: Property Inspection

- Check structural integrity, electrical, and plumbing systems
- Assess safety features and code compliance
- Identify maintenance concerns affecting lease terms

Step 3: Environmental Inspection

- Detect hazardous materials
- Ensure air and water quality compliance
- Review energy efficiency and sustainability

Why Choose Us?

- Minimize legal, physical, and environmental risks
- Strengthen your position for lease renewals
- Tailored services and pricing to fit your needs
